[Characteristic]

●Kyushu Red Pepper Tentaka, which has been lovingly cultivated by growers throughout Kyushu, is characterized by its bright color, luster, and spiciness, as well as sweetness and rich flavor. The manufacturer is dried them at a factory in Kumamoto- Prefecture and consistently perform sorting, processing, and commercialization.

●You can easily use it at any time of the year as an accent to the taste of pickles, soups, hot pots, udon noodles, ramen, fried vegetables, pasta, etc. It is recommended for those who like spicy foods, as you can enjoy enough spiciness with a small amount. First, please try a small amount.

[Notice]

●Please consume immediately after opening.

●Please be careful for small children, elderly people, and people who are not good at spicy foods.
